Inquiry task: Storms and wind power

Current as of: November 7, 2017

The following link collection can be used as a starting point for Internet inquiry to work on the inquiry task of the same name. The inquiry task is also available on the media portal of the Siemens Stiftung.

On wind and storms:

- U.S. National Weather Service
  http://www.nws.noaa.gov
- MET Office – UK's National Weather Service
  http://www.metoffice.gov.uk
- World Meteorological Organization "World Weather & Climate Extremes Archive"
  https://wmo.asu.edu/
- weather.com "New Evidence That Climate Change Is Altering Hurricane Season as You Know It"
  https://weather.com/science/environment/news/climate-change-study-changing-intensity-number-hurricanes

On wind power and wind energy:

- Global Wind Energy Council
  http://www.gwec.net/
- The American Wind Energy Association
  http://www.awea.org
- Basic principles of wind power at Renewable Energy World.com
  http://www.renewableenergyworld.com/rea/tech/windpower
- Basic principles of wind power at EIA Energy Kids
  http://tonto.eia.doe.gov/kids/energy.cfm?page=wind_home-basics
