

Cassidy Van Rooyen is 20 years old and is originally from Paarl and her home language is Afrikaans. She is a 3rd -year choreographer student who aspires to be every facet of her artistic self. Cassidy is trained in Ballet, Contemporary, African, and Hip-Hop but never sits in her comfort technique styles. Being expressive is one of the many methods she strives to express and dares herself with challenges. Her movement styles, dance aesthetics, and dance philosophy are influenced by Merce Cunningham Isadora Duncan.

From starting Dance at the age of 3 and pursuing it in various forms, such as Freestyle, Hip Hop, Jazz and Ballet, dance has become a big part of my being whilst performing in the Johannesburg Youth Theatre also introduced me to theatre. These small endeavours as a child encouraged me to achieve heights such as silver medal with Unity SA Dance Team at the IDF World Cup in Poland 2017 and 12th place in Trio Jazz independently at the Dance World Cup in 2019 and my honours blazer in Culture at Reddam House Bedfordview.

As Choreographer I began with milestones such as choreographing the Reddam House Bedfordview Fashion Show and their Grease Production.

To further this life-long journey in theatre, I am currently a student at the Centre of Theatre, Performance and Dance at the University of Cape Town majoring in Choreography and a dancer in the New World Dance Theatre at Artscape Theatre.

My name is Danel van Tonder and I am currently 20 years old and a third-year student at UCT. I am part of the Choreography/ Performance making stream and aspire to one day live out my passion for creating but also teaching dance to students who find comfort and love in movement. I am originally from Pretoria and went to high school there where I had Dance studies as a subject and where my love for creating was fired to the point that I knew that it was what I wanted to do for the rest of my life. Some of my interests include going for walks in nature, spending time with good friends and just enjoying soaking in this life and not taking anything for granted.

Wilfred Marchello Adonis is a 3rd-year choreography student, who was born in the Northern Cape, Springbok but moved to Vredendal, Western Cape in the year 2009.
